

The Arizona Ophthalmological Society (AOS) Foundation

Our mission is to provide education and assistance with a goal toward excellence in eye care for patients and physicians.

Center board member

An exceptional event was created by very gracious AZ Lions members and included AOS ophthalmologists on Sunday, June 3, 2012. The event was held at Fogo de Chao, a Brazilian steakhouse in Scottsdale, and raised over \$5,000.

In 2011, the efforts of our AOS Foundation donors were rewarded by funding a new AMEU truck. Our 2012 goal is to assist the AZ Lions to replace the aging trailer and update the equipment to provide better eye care. The increased efficiency will benefit even more rural Arizonans.

Out with the old truck (right) and in with the new (arrow).

In 2012, the AZ Lions Vision Center sponsored over forty clinics providing primary and second opinion eye exams for adults and children. At the current pace, we expect to perform over 80 clinics, mostly in rural Arizona, with nearly 1500 patients in 2012. Many thanks to the volunteer physicians of the Arizona Ophthalmological Society for their time and professional expertise to staff these outreach clinics. The new truck in action at one of our rural health centers below.

The AMEU truck and trailer served us well, but after 36 years of service the trailer is exhausted and the truck had over 210,000 miles! Thanks to your donations, we purchased a new Ford truck and continue fund raising to support a new trailer.

Donation Card

Your donation will help the AOS Foundation sustain the AMEU and other successful programs. Please send us your commitment to support our efforts [today!](#)
